Here are a few things Grace needs to ensure ministry time runs smoothly.

Grace travels with her husband Grant & at times they lead worship and minister together. They would need Air Fair & Hotel for 2 from Santa Ana John Wayne Airport-Orange County(SNA)

Grace needs Approved sound system with soundman & approved keyboard ( Korg, Triton or Yamaha 88 key keyboard) She needs a wireless singers microphone, sound system with monitors & also a connection for iPhone to run tracks.

A love offering would be received, or if you have a specific budget in mind please let us know as hopefully we can work with you.

We appreciate your interest in Grace's ministry and look forward to all that God has in store.

Thank You & God Bless!

Grace and Grant Poole
